

## HSE policy

**GMC**

Health, Safety and Environment (HSE) shall be an integral part of GMC Maritime AS (GMCM) business operations. The vision of zero damage applies wherever we operate.

GMCM will ensure a safe and secure operation that protects our stakeholders, including; Owners, authorities, customers, suppliers, partners or other stakeholders and organizations involved. GMCM believes that all incidents and accidents can be prevented. GMCM has a comprehensive approach to safety. All GMCM employees have independent responsibility to help safeguard their own and others' safety through proper conduct and actions, as well as qualifications for the safe exercise of work tasks.

Through continuous identification of risks and implementation of measures, the risk of unwanted incidents are reduced. Management team is committed to continuous improvement work, as well as looking at our stakeholders as an opportunity to improve our business. We shall ensure all activities is in compliance with laws,-regulations, current standards, internal requirements and costumers requirements.
